Public Hearing

Mayor Pro Tem Sellers presented the budget copies to the Council. He stated some cuts in the budget would need to be made but he had gotten the numbers to balance. Councilman Porter inquired about the electric rate cost. Sellers stated that we have to purchase at a set rate and then the PCA fluctuates for the revenue the City will make off of electric sales. Porter also inquired about the department the grass contractor was paid out of and if he anticipated on raising his price due to the rising costs of everything. Utilities Director Ausburn stated that the contractor, Ray Callaway, had approached him about potentially not renewing his contract. Ausburn stated he was looking at alternative scenarios and was thinking about bringing the mowing back in house instead of contracting out.

Sellers asked the Chief of Police to explain to the Council about the line item in his budget for a LiveScan machine. Black stated they were trying to cut out so many trips to the Grady County Jail and how difficult it has been throughout the years with getting the paperwork back from the Sheriff's office. The cost of \$8,747.44 that has been requested for the Police Dept budget includes the machine along with the training included for the startup.

Sellers asked Ausburn and Councilman Joel Singletary to tell them about the Fire Department's truck they are wanting to sell, since they are both members of the Volunteer FD, since there was a line item for the purchase of a newer truck in the budget requests. They stated the old truck is a 1982 model and is the oldest truck they have. The VFD received an offer of \$10,000 for the old truck. The newer truck would be coming from City of Thomasville and would cost \$30,000. Sellers suggested to the Council that maybe the City could contribute to the purchase since we just got back the Meag year end settlement. All other Councilmen agreed.

Sellers asked the City Clerk if the City Clerk had any requests. City Clerk Rogers stated City Hall had no major purchases in their budget request. Sellers stated the Council would make any changes and adopt the budget at the August Council meeting.

Reports

Utilities: Ausburn stated there had been some small outages throughout the City. He also stated they will be making minor repairs to the paving edges around town, has been doing voltage conversions, serviced the City equipment and also informed the Council about the leak in the trailer park he and Israel Kirkland had worked on at the beginning of the month.

PD: Chief Black told the Council Officer Seth Maxwell was leaving as he was offered a full time position at Archbold in Thomasville that would take up most of his time. He has hired a new patrolman, Jordan Lattimore, that will begin this week.

City Hall: City Clerk Rachel Rogers informed the Council City Hall would be closed for lunch Thursday, Friday and Monday because she would be taking off to get married.

Unfinished Business

Local Option Sales Tax (LOST): Sellers stated the rate for the LOST proposed to the City by the County needed to be voted on. City Clerk Rogers stated that she could not find any agreement on a "set rate" as discussed at the June meeting. **Trey Gainous made a motion to accept the LOST rate of 1.63%. Robert Porter seconded the motion. All members present voted in favor. Motion carried.**

Council Matters of Interest

Sellers opened the floor for discussion of appointment of the new Mayor. Trey Gainous expressed interest in the position. **Joel Singletary made a motion to appoint Trey Gainous as the Mayor of Whigham to finish out George Trulock's term. Robert Porter seconded the motion. All members present voted in favor. Motion carried.**

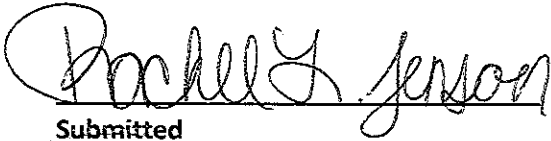

City Clerk Rachel Rogers administered the Oath of Office to Trey Gainous and swore him in as Mayor of Whigham.

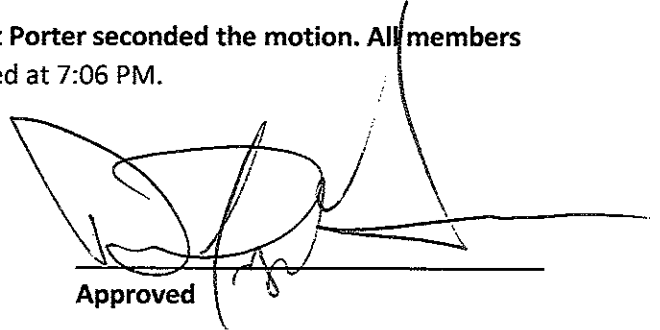

City Clerk Rogers told the Council that a letter of support had been given to City Hall from the Whigham Volunteer group for Nick Farrell to fill the open Councilmember seat. The letter signed by the members of the Volunteer group was passed to each Councilmember. Sellers asked if any of the Council had suggestions or thoughts on the matter. Singletary stated that Andrew "Mickey" Walden had spoken to him and shown interest in being on the Council. Walden and his wife own the Ebenezer Church property and Walden has been in Whigham all of his life. The Council asked the City Clerk to send a letter to Mr. Walden asking for him to attend the next Council meeting to discuss filling the position.

Sellers informed the Council of an illegal water tap/usage on Bunn Ln. that was found. Ausburn stated a water hose was running to the Lot 29 property from Lot 28. Sellers stated it was an ordinance violation and asked the Council how they thought we should handle it. It was decided that the City Clerk would need to draft a letter to the Lot 28 property owner stating to immediately stop the illegal tap from happening. Sellers mentioned the City had also discovered a group of seasonal workers living in the James Knight building on McGriff/Depot. He stated it had been used for a resident to live in before. The Council decided since it was just temporary, they would allow the group to stay there as long as the outside of the building was cleaned up. Trey Gainous stated he would talk to Knight. Sellers also mentioned the old hardware store on 84, owned by the Brinsons, was seriously deteriorating and was curious if the City was liable if someone were to get hurt. Sellers and Gainous thought it would be best if the property condition was discussed with the City Attorney and would set up a meeting with him.

The City Clerk informed the Council that she had received an email during the meeting informing the Archway members that the Archway Professional, Whitney Brannen, would be leaving Archway. Gainous stated we had only renewed to allow time for Brannen to "prove herself" and give her a chance and he did not feel like we would need to renew. All other Council members agreed. The City Clerk stated she would reach out to Archway and let them know the City did not want to continue with the Archway program again.

A motion to adjourn was made by Joel Singletary. Robert Porter seconded the motion. All members present voted in favor. Motion carried. Meeting adjourned at 7:06 PM.
